The Fundamental List, Part 7: As You Go

Big Idea: Jesus followers are multipliers.

1. When someone you love visits Access for the first time, it suddenly feels personal. Have you ever experienced that? How did it change the way you saw the Sunday experience?
2. Read Matthew 28:16–20 aloud.
 - What do you notice about the emotions and actions of the disciples?
 - What stands out about Jesus' authority, the assignment, or the promise?
3. Jesus gave the Great Commission to ordinary people—including some who doubted. How does that encourage or challenge you personally?
4. Reflect on this question from Sunday:
“What if God answered every prayer you prayed last week... would anyone be better off besides you and your family?”
What does that reveal about how you're seeking God's kingdom vs. your own?
5. Let's talk about ENGAGE: Pray. Connect. Serve. Give. Invite.
Which of these is currently part of your rhythm? Which one could be your next intentional step?
6. “Invest and Invite” is how we live out evangelism at Access.
Who are you currently investing in? What might it look like to take the next step and invite them?
7. Think back on your own story.
Who were the people God used to draw you to Himself? What did they do that impacted you?
8. Jesus followers are multipliers.
What's one shift you could make this week to become more engaged in your King's business?
