Job Description - Student Ministry Director

Summary

- The goal of this position is to create excellent, engaging environments that lead students into a growing relationship with Jesus Christ.
- This is a part-time role, which could take 5-10 hours per week in addition to Sundays.

Responsibilities

- Vision - Inspire everyone in the organization to help create churches that unchurched people love to attend.
- Leadership - Recruit, train, equip, inspire, and encourage a team of volunteers. This is not a “doing” role, but a “leading” role. The candidate must be skilled at multiplying their leadership.
- Planning - Plan activities for the student ministry 6-12 months in advance and coordinate the dates with the rest of the church staff.
- Direction - stay informed as to the latest ministry strategies North Point Ministries and other strategic partners are employing, and be prepared to discuss with our team and adjust accordingly.
- Any other tasks as requested by the supervising pastor

Requirements

- Candidates must have a growing relationship with Jesus Christ
- Candidates must have natural leadership abilities, and demonstrate a history of leading people, preferably volunteers
- Candidates should be familiar with the North Point model and love the idea of creating churches that unchurched people love to attend.
- Skills and strengths testing will be part of the interview process

Reporting

- This position reports directly to the lead pastor.
- Performance evaluations will be conducted semi-annually.

Compensation

- Work will be compensated with a monthly stipend.
